For all who wonder how to plant and build a church, here is the answer in one verse- Acts 20:20. Paul gave his "method"- **I have not hesitated to preach anything that would be helpful to you but have taught you publically and from house to house. I have declared (to all) that they must turn to God in repentance and have faith in our Lord Jesus Christ".**

I adopted that verse and began following it more than 50 years ago. It is still the best "method" to plant and build a church anywhere! Paul went on to say, **"I declare I am innocent of the blood of all men. For I have not hesitated to proclaim to you the whole will of God."**

If I were to start all over, I'd follow this same plan! All the conferences and workshops are no substitute for what must be done. Get out of your office and go seeking the lost. Bring them the Gospel in their homes or at their workplace. Be bold. Go get them. Visit, visit, visit! and teach, teach, teach the Word of God to them.
